Beautiful custom rancher on a private cul-de-sac lot in desirable Kings Deer. This high-end home sits on a spacious 3.09 acres in a park-like private setting where neighboring homes are set far back and screened by mature trees, creating a true sense of seclusion. The front elevation features soft beige stucco, a dramatic covered entry with stone-clad columns and timber-detailed gable roof, plus a grand arched glass entry.

Exterior living is exceptional, with a newer composite deck featuring metal handrails, a large covered section with dramatic timbered gable roof, outdoor kitchen/grill area, stairs to the backyard, and doors into the kitchen and master bedroom. Huge basement walkout patio with stone seating, and large fenced backyard surrounded by native trees complete the outdoor spaces.
